

CORDLESS TELESCOPIC HEDGE TRIMMER

- Powerful telescopic hedge trimmer with a cutting length of 410 mm for cutting high hedges
- Cordless work with the Scheppach IXES 20 Volt series – all batteries and chargers belonging to this system series can be combined with the cordless multi-function device
- Hedge trimmer attachment can be locked at 11 different angles (90° – 240°), allowing the perfect adjustment to the relevant application
- Steplessly lockable aluminium telescopic shaft with an overall reach of 2.6 m allows easy and quick adjustment for areas that are hard to access
- Shoulder strap ensures additional support and fatigue-free work
- Non-slip soft-grip handle with safety switch
- Metal gears ensure a long service life
- Durable blades made of laser-cut and diamond-ground steel
- Battery and charger available separately
